Rooftop Pools

© Hyatt Hotels

No.3 Andaz San Diego, San Diego

Some pools we like purely for their design, others because, well, Prince Harry of Wales does, too. He's one of the VIPs spotted recently at Andaz [San Diego](#)'s pool, where there's a continually throbbing DJ beat, VIP bottle service, cushioned lounge beds, and endless babe-spotting. We figure if the Prince judged this a worthy pool, it must be -- God know he likes to party. Andaz is pretty much even in rep with another well-known pool party spot, FLOAT, atop the Hard Rock Hotel, whose patrons include Brody Jenner and Kim Kardashian.
