Ivy Rooftop Sunday Pool Parties at Andaz San Diego Hotel

In early 2010, one of our favorite boutique hotels was transformed into the new [Andaz San Diego](#), but not to worry, the nightlife we know and love is still at our finger tips, including the sultry day-time scene. [Ivy Rooftop](#) is one of the most luxurious rooftops at all of the downtown San Diego hotels. From the intimate pool area surrounded by chaise lounges and cabana booths, all complete with stunning views of the downtown cityscape, to the central bar area, and the far west lounge with even more additional VIP day beds, there is more than enough room for all of San Diego's elite to gather under the sunshine and enjoy an A-List Sunday Funday experience. Every Sunday during summer, Ivy Rooftop presents an upscale twist on the traditional downtown pool party. As Ivy Rooftop releases details on the 2011 opening date and lineup, we'll be sure to get you clued in and hooked up.
